

Here and Maui

The *Hawaii Five-0* task force spends most of its time catching criminals on Oahu, but even indefatigable detectives need a little downtime. Just a 20-minute flight from Honolulu, magnificent Maui welcomes with beautiful beaches and laid-back charm. One of the best places to stay on the island: **Grand Wailea, A Waldorf Astoria Resort**. This tropical paradise on Maui's stunning south shore has it all: large, luxe rooms; a massive fitness center; seven bars and restaurants; nine pools; direct beach access; and ample activities. After a day catching waves, unwind in the 50,000-square-foot, award-winning **Spa Grande**—the largest spa in Hawaii—where seawater therapy soothes aches and pains.

For off-site excursions, the hotel's knowledgeable concierge will help you plan the perfect itinerary. We recommend shopping in **Paia** and **Lahaina**, dining at **Mama's Fish House**, exploring the waterfalls and lava tube along **Hana Highway**, snorkeling the **Molokini Crater** and **Turtle Town**, hiking the **Waihee Ridge Trail** and picking up homemade banana bread at **Curley's 10 Mile Fruit Stand** along the serpentine road to Kahakuloa. grandwailea.com

THE STAR BAR

Cocktails inspired by TV's most intoxicating characters

THE BAZINGA FIZZ

This fiery red, lava-inspired elixir from Grand Wailea's poolside **Volcano Bar** isn't your typical froufrou tropical umbrella drink. Featuring Peychaud's Aromatic Cocktail Bitters (created by a pharmacist!) as the base spirit and local ingredients, the drink would wow even scientists like *The Big Bang Theory*'s Sheldon Cooper with its premium chemistry.

INGREDIENTS:

- 2 oz. Peychaud's Aromatic Cocktail Bitters
- 3/4 oz. fresh guava juice
- 3/4 oz. fresh pineapple juice
- 3/4 oz. fresh orange juice
- 3/4 oz. Lilikoi puree
- 3 Kula strawberries
- 3 orange peel swaths
- 3 lemon peel swaths
- San Pellegrino Sanbitter
- Fresh mint
- 1 lemon, for peeling

INSTRUCTIONS:

In a Boston shaker, muddle first eight ingredients until the strawberries are smooth. Fill with ice and shake until cold. Double-strain into a bucket glass filled with ice. Top with a splash of San Pellegrino Sanbitter. In lieu of a pineapple garnish for this play on a tropical drink, make a mini "pineapple" with fresh mint and a lemon peel.
